Introduction

The Junior Umpire Award is open to all young people. It is designed to improve knowledge and test practical skills in the umpiring of table tennis.

The award may be used as part of the General Certificate of Secondary Education (GCSE) Table Tennis, Sports Leader UK Awards (formerly CSLA), Duke of Edinburgh Awards, and Table Tennis Networker Award.

There is no minimum age restriction and playing experience is not required.

Umpiring can be a most rewarding and enjoyable experience and England has some of the most highly respected umpires in the world. Opportunities to use umpiring skills are available in clubs, leagues and in many competitions across England. The ambitious can umpire abroad at international matches, world championships and even at the Olympic Games.

The award may be assessed by any teacher, sports leader, TT Networker, coach or adult who has an understanding of the laws of table tennis. Candidates should be given a copy of the ITTF Laws of Table Tennis to help them identify the answers. A copy of the ITTF Handbook, including the Laws and Regulations, is available to download from the ITTF website: www.ittf.com, Regulations.
